

## HIND TILE COTE

### PRODUCT DATA SHEET

#### EXTERIOR AND INTERIOR SURFACE COATING BASED ON ORGANIC COMPOUND

##### DESCRIPTION

**Hind Tile Cote** is an active organic compound based coating and can be applied to any exterior and interior substrate by brush/spray. It is a ready -to-use compound containing active chemicals which when cured forms a hard resilient transparent scratch proof coating on the substrate it is applied.

##### USES

**Hind Tile Cote** is used as a coating on Ceramic & Vitrified Tiles, Mosaic and Marble surfaces, laid vertically or on floors to give it a protection from scratches, resistant to weathering action and a long lasting protection of the aesthetic look of the surface.

##### ADVANTAGES

- It provides a tough abrasion resistant surface which does not turn yellow.
- Single component, ready to use.
- Scratch and peel proof.
- It is cost effective due to high coverage.

##### APPLICATION

Before application the surface is to be vigorously cleaned by water and coir-brushing, so that it becomes free from oil, dust, grease, algae and any foreign materials. Over the cleaned dry surface **Hind Tile Cote** is to be applied by brush/spraying after slightly agitating the mixture in the container. It is recommended to recoat the surface after the first coat, in opposite direction to overcome any left out portion after first coat application. The drying time of **Hind Tile Cote** depends on the ambient temperature. Usually it gets completely dry after 4-5 hours of application at  $27^{\circ}\text{C} \pm 2^{\circ}\text{C}$ .

##### PROPERTIES

Aspect	Milky Liquid turns transparent when cured.
Specific gravity	$1.00 \pm 0.05$ at $27^{\circ}\text{C}$ .
Coverage	25 -30 Sq. Mtr per Kg in 2 Coats.

**Note: Coverage may vary depending on the porosity of the surface**

##### APPLICATION TEMPERATURE

**Hind Seal Cote** is recommended to be applied when the temperature of substrate should not be less than  $2^{\circ}\text{C}$  and higher than  $50^{\circ}\text{C}$ .

## **SHELF LIFE**

12 months from the date of manufacture in unopened condition. To be stored in a cool and dry place away from direct sunlight. It should not be allowed to freeze.

## **PACKING**

20 Kg & 200 Kg Container.

## **HANDLING PRECAUTIONS**

**Hind Tile Cote** is non-toxic, non-combustible and inhalation to be avoided. Any splashes to skin if happens, wash with water. If contact with eyes occurs, immediately wash with water and seek medical advice.
